EDUCATION

Higher National Diploma in Microbiology / Biochemistry

2015 – 2017

Federal Polytechnic Nekede Owerri, Imo State, Nigeria

PERSONAL PROJECTS

Frontend E-commerce website UI/UX design and web app [LINK](#)

A react based web application and a UI design with Figma

- Crafted a seamless, user-centered UI/UX design that enhances digital experience
- I designed visually appealing, consistent and responsive interfaces with a focus on aesthetics, brand alignment and user engagement.

Travel Blog fullstack [LINK](#)

A react based web application and a UI design with Figma

- The design was responsive, high-performance with clean, efficient code.
- The website adapts flawlessly to different screen sizes and devices, ensuring a consistent experience for users on desktops, tablets and mobile phones.

Job Portal frontend Design [LINK](#)

A react based web application and a UI design with Figma

- I create a custom, feature-rich dashboard tailored to meet specific business needs.
- I deliver unique solutions that align with project goals

EXPERIENCE

Graphic Design tutor at Noble Consult College

January 2021 – May 2022

- I provided individualized guidance to students, helping them understand design principles such as color theory, typography, layout and visual hierarchy.
- I incorporated project-based learning to stimulate professional design tasks

Frontend design team member for Xperience Gallery

June 2024 – August 2024

- Worked closely with UI/UX designers, backend developers and project managers to ensure seamless integration of design elements and functionality.
